

INTERMOUNTAIN APPALOOSA HORSE CLUB

President's Letter

Well it's that time of year again to reminisce upon the events of the past year. As you all know I'm not a man of many words but I'll do my best.

Our spring trail ride went very well. We had great weather and a great time. We did lose the trail once and I do apologize for that. It all ended well. The pot luck dinner after was fun like they always are with the club. Our next scheduled event was our open show which was unfortunately canceled due to the H1N1 outbreak, but plan on a show next year. We hope to see you all there.

A new event we had was an open jackpot barrel race, which was okay. It was a first attempt at it for sure. The owner of the arena where we held it asked if we would host another one in the spring. That's the plan right now so watch for that all you barrel racers. It'll be great!

Our fall went really well. We had our first annual Appaloosa Fall Fun Hunt and Trail ride. That trail had to be altered also due to fires in the area but the trail bosses did a great job handling that and it turned out to be fun for all who were involved. So watch for that event next year, hopefully it'll be as good if not better than this year.

One more event we are trying to put together is a trail-ride safety, emergency, and CPR clinic. Hopefully by the time we start riding again we will have that put together for anyone interested, so watch for that also.

Well to sum it up, it has been a great year and I hope to have another. I also want to thank the board for all their help and support. THANKS YOU GUYS!!! See ya next year,
Your 2011 IApHC President,
Jesse Heath
