OLD BUSINESS

Rules – The Bylaws and Rules (changes and corrections in blue) were mailed to the membership before the April 30th date as designated in our bylaws. Section of the Rules were left out when were retyped. Kim will again reformat the new Rules and Bylaws book and resend after proofing.

Horseman's Social /Spring Meeting – Requirement of a spring meeting was lifted this year due to the fact that we could not host these before the April 30th deadline due to Covid 19 virus.

Mini Circuit Show – It is Barbara's recommendation to put the mini show on hold for this year. Due the virus concerns and putting the show together (finding a location and judge, following the social distancing recommendations were all problematic). Barbara suggested holding a summer trail ride for the club as a substitute club event. Also discussion around holding a game day, i.e. like the horseman social or holding a show at a later date. After discussion Jessica volunteer to scout out easier trails. Kim motion to host trail ride for a summer club event when the State of Idaho opens and use r social distancing practices if needed. Tausha 2nd. The vote was unanimous.

Halloween Show (Oct. 24th) **Year End Meeting** (Jan. 16th) tabled for later discussion.

Jackpot – As previously voted on in the April meeting minutes this event will be put on hold until January 2021.

Web page and Facebook – Barbara stressed the importance of using these sites for communication, with the current circumstances as many events, shows and meetings being

canceled. Diana and Tara encouraged everyone to send information and pictures about club members and their horses!

NEW BUSINESS

Pocatello Show – July 24-26. As of this meeting the Pocatello show is going to be held. We need to advocate support for this as there are both open and breed classes. They are also offering cattle classes and adding more stalling. One Judge will be counted for double points, there will be four judges.

EISF – Horse show breed classes will be held on Labor Day. Julia had put in a complete listing for all approved classes.

Adjourned time: 7:45 p.m. The next meeting 6:30 (please note earlier time), Thursday June 4th. Meeting might be held by phone or in person to be determined. If you have any agenda items, let Barb know.
