### **OLD BUSINESS**

**Rules** – The Bylaws and Rules (changes and corrections in blue) were mailed out but due to hurry have a missing part so we will be re-send them soon. Di will also get them on the web page.

- Work is still in progress

**Trail Ride** – June 13<sup>th</sup> date was set for the Mini Circuit show and the board voted to NOT do it this year. The last thing we want is to have the club accused of contributing to future spread of the covid-19 virus. Instead we decided to host a Trail Ride and Picnic as it would be a fun club function while still being easy to practice social distancing. Jessica volunteered to find us a novice safe place to go.

- Trail was set for Saturday the 13<sup>th</sup> of June at Harriman State Park, Island Park Idaho. Amelia Dye offered to help, Lin Sharp stated who wanted to could meet at the Albertson's Park lot and trailer up together.
- Harriman charges a \$5.00 dollar fee per trailer not rider. Everyone to meet in Harriman's parking lot and leave by 10.00 am.  
Lin Sharp made the motion, 2<sup>nd</sup> by Kim Kvamme vote was unanimous

### **Halloween Show** (Oct. 24<sup>th</sup> )

- Barbara stated she had talked with Terry Ellis and Terry would like to take her Halloween Horse Show back to run.
- 

**Year End Meeting** (Jan. 16<sup>th</sup>, 2021) can be tabled for later

### **Web page and Facebook** –

- Barbara stressed again the importance, given the current circumstances, many events, shows and meetings being canceled or moved to non-contact methods, it has created a situation where the social media has become a much more important means of communication. As such it is important that we get information to Di and Tara for publication on the club sites and keep them supplied with pertinent information, pictures, babies (2&4 leg variety), wins and anything of interest so we can keep the club in the lime light of the public view.

**Pocatello Show** – July 24-26. Barbara had spoken with Deb B regarding the upcoming show in Pocatello and need to advocate support for this as there is both open and breed classes and 4 judges (one is double point). Deb has been working hard to make this a desirable show for both IApHC circuits and will have a full schedule of classes and pertinent information on facebook soon.

- We (IApHC) are paying Appaloosa class approval fees and will pay the recording fee for Appaloosa classes.
- The Ogden show (similar schedule) being one of the first shows has gone viral!!! It is a worry that Pocatello will also be inundated! Deb will need HELP in any capacity you feel comfortable working.

**EISF** –There will be a EISF Board Meeting June 17<sup>th</sup> to see if the Fair will be held at all due to the virus. As a Club, we voted to do this last fall and though early we need to plan club support with visibility, if the Fair is held. It might just be a horse show, but no details.
