BUSINESS

There was no October meeting. Kim and Barb are reading through the bylaws and correcting them, so they can be voted on at the annual meeting. Barb has the list of open positions. President, Vice President, Secretary, and two director positions will be open. Lin Sharp will be willing to join the board. The treasure is an appointed position. We discussed having a spring clinic, a June show, and a fall trail ride. Di spoke with Robyn Grigg Grassell about putting on a clinic for us. We need to present ideas to her of what kind of clinic we want. She also suggests Clint and Jared Arave for a clinic. Di will be reaching out to the people that were at the April showmanship clinic to get their testimonials, so they can be sent out in the newsletter, and posted online. We also discussed the year end awards. We decided that if it is the horse winning the award, then it needs to be something that will be used on the horse. If the award is for the rider, then it needs to be something the rider will use/wear. Examples of things that will probably be given for a horse award is a Custom Bronc halter or a custom sheet. Examples of awards that will probably be given out for the rider is a belt buckle, Breyer horse custom painted to look like your horse, or a custom jacket.
