

IAPHC Annual Election and Awards Meeting
January 28, 2023 at the Elks Lodge in Blackfoot Idaho

No Host Social began at 6:30 pm. Idaho has been blessed with winter this year! However even that did not detract a good turnout for our annual meeting. Treasurer Di Wadsworth manned the sign up table and made sure we all got signed up properly. Wolfe family, Cline family and Barb set up the silent auction tables. Jessica Cline and Tausha Wolfley set up the awards table while the rest of us renewed old acquaintances.

They started serving dinner pretty close to 7pm and as usual had a little difficulty getting all of OUR ducks in a row. The meal was very good and if you went away hungry it was your own fault.

Jessica and Morgunn Cline and grandma Barb handed out the awards about the time most were done with dinner. The belt buckles are gorgeous and the horse awards, painted to look like the horse that earned it, were unbelievable and the monogrammed IAPHC articles will turn many heads. Congratulations to all of the winners!

Vic President Barbara DeShon opened the meeting and announced that we needed to proceed with election of officers and directors for the 2023 year. Ballots were handed out to 2023 members. We did have a couple of real races this year! Barb asked if there were any nominations from the floor and they were added to the ballot. After a little discussion the ballots were gathered and counted by Di Wadsworth. Barb announced the 2023 board winners and said that all would be published in the Spring Newsletter. The only other business allowed was to vote on the proposed By Law changes! They passed unanimously.

Through out all of this the silent auction was in full swing. There were a lot of real nice things and some super awesome items. The whole auction project brought the club \$_____-. Many took home the best buys ever! Plus we had _____ 2023 memberships purchased for a total of \$_____. With dinners, hall rent etc. we had a profit of _____dollars for the night.

A Big **THANK YOU** goes to all who donated items and helped with the dinner and those who worked in any capacity at club functions through out the 2023 year. PLEASE understand that it is truly unintentional but I do know that quite a few will be left out.
