OLD BUSINESS

Spring Fling – Di reported it went real well with all who turned out having a positive attitude. Took in \$160.74, added 5 or 6 new members and one person asked to be put on our mailing list for events. Barb inquired if we had been able to pay the arena bill. Tax Tec donated that fee. Hanna to get a Thank You out for that.

June Competitive Ride – Canceled for lack of time.

Mini Circuit Show August 12th - Di reported that the Snake River Arena was reserved. She noted that we need a lot of everything if this is to go!! (judges, sponsors, office and arena help plus!!!) She and Tax Tec can't do it alone!! Hanna and Shalae both offered to chase sponsors. We all need to work together to find all that is needed. She said that unless volunteers have stepped up to offer help by June 25th she will resign as Show Manager. If it is to be successful we need advertising out on it asap! Tara noted the date should be good as it will be an excellent out before the Pocatello breed show.

2nd Mini Circuit Show – Barb motioned we NOT due a 2nd mini show due to time and difficulty with getting adequate help. 2nd by Di and passed.

Pocatello August 19th open and breed show – Barb reported Deb had paid for the approval of Appaloosa breed classes because of the due date. Tausha noted we would need to repay her when we paid the breed class recording fees after the show. Tara and Barb both have been assisting Deb with the breed class list. This is how our regional club fulfills our obligation of supporting a local breed show.

Follow up report from Morgyn – Jess reported that although Morgyn had not qualified for state her first year she made significantly good runs and had strongly put Appaloosa spots in the Gaming world. Watch out for her next year!!

NEW BUSINESS

Resignation of Lori Prestwich – The letter from Lori stating her resignation due to personal issues was read. Hanna moved to accept Lori's resignation with regret. 2nd by Barb and passed. Jess will call Lori. This will require appointing a new point person as well as a director to fill the remaining portion of her term. We will address these issues at the July meeting after Jess has had a chance to talk to Lori. It was noted possible people to contact are Kim and Stormy.

Meeting adjourned at 8:15pm. Next meeting July 10 at 7pm. After discussion it was decided place to be announced.
